

WOMAN SUFFRAGE IN UTAH

Senator Alder Has Enough of Woman Suffrage.

MEMORIAL TO CONGRESS PASSED BY SENATE AFTER A SPIRITED DEBATE.

An echo of the ancient fight in Utah over the question of equal suffrage was heard in the state senate yesterday afternoon. A majority of the committee on federal relations reported in favor of a memorial to congress asking for the adoption of the sixteenth amendment to the constitution, so as to give women the privilege of voting. The memorial was introduced by Senator Alder and passed by a majority report against the memorial, and there was a lively stir of words.

Kiesel moved the adoption of the memorial report and Alder offered a substitute, providing for the adoption of the memorial report. In support of his substitute Senator Alder made a long and impassioned speech in which he declared that the memorial is unnecessary at the present time. Utah is the youngest state in the union and it is not proper for her to memorialize congress on this question. For this reason, and for others which I do not wish to raise at present, I am against the memorial.

"I am a thorough woman's suffragist," said Senator Smoot, "but I believe the women who enjoy the right of voting are making a mistake in asking congress to interfere in what properly belongs to the separate states."

Whitney's Position.
Senator Whitney said he signed the memorial report because he believed the majority report of the committee on federal relations was in favor of the memorial. He had already signed the memorial and he was not going to back out of it. He believed the memorial was a mistake and he was not going to support it.

Alder Opposes Suffrage.
Senator Alder made the last speech. He started out by saying that he had signed the memorial report because he believed the majority report of the committee on federal relations was in favor of the memorial. He had already signed the memorial and he was not going to back out of it. He believed the memorial was a mistake and he was not going to support it.

Other speakers had declared their belief in woman's suffrage. They had signed the memorial and they were not going to back out of it. They believed the memorial was a mistake and they were not going to support it.

Claim That Mrs. Hilton Was Sealed For Eternity.

An amended answer was filed yesterday by defendant in the case of Annie P. A. Hilton against Rosa P. Roylance, to establish plaintiff's right to a widow's third of the estate of the late Dr. John R. Park, and incidentally to quiet her title to a third of the piece of land owned by Dr. Park, shortly before his death. Mrs. Roylance, associated with the attorneys for Mrs. Roylance are the attorneys for the defendant in the case. The case is being heard by the court in the afternoon.

In the amended answer it is set up that Mrs. Hilton, nee Armistead, and Dr. Park were "sealed" or married only for eternity, and not for this life, more

than a quarter of a century ago, and that the plaintiff never claimed to be the wife of the deceased until after his death in September last. It is then denied that plaintiff is the surviving widow of Dr. Park, and further it is pleaded that she is now stopped from asserting any claim whatever to her share of the property left by him to the university.

The defendant prays for a dismissal of the action.

The defense of the executors, that Mrs. Hilton's marriage to Dr. Park was a "seal" for eternity, which conferred no dower right upon Mrs. Hilton, was forecasted at the examination of Mrs. Wells, whose examination was taken some time ago.
